February 2009

Daily Ponderables by Alan Harris

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 Carry your enthusiasm and it carries you.	2 Leaving a few stones unturned in a marriage or a minefield can be downright healthy.	3 A society lady's best snub is no match for that of a summoned house cat.	4 A house has square feet; a home has footsteps.	5 You get the most free financial advice from people who are in your pocket.	6 Nobody scolds like a coward.	7 Whoever first said "Hey, man!" was to become the most widely quoted dude in modern times.
8 Over time, pleasure and pain go together like tick and tock.	9 Stronger than most armor are motives clean and seen.	10 When a man's thinking is airtight, his mouth usually leaks.	11 A stitch in time saves the theory of relativity.	12 Chaos you shall always have with you, and also overcontrol -- try love.	13 Opposites attract, opposites butt heads, and opposites make up.	14 Philosophies are a paradigm a dozen, but if they don't acknowledge love, they fall away like leaves."
15 The ability to fly high on life's trapeze doesn't mean one is any good on life's tightrope.	16 Music is evidence that beauty, mathematics, and time all live in the same neighborhood.	17 Ask not whether they'll hire you; ask what good they're doing for folks.	18 When wealth speaks, greed listens.	19 When you're down in the dumps, incoming advice becomes excruciatingly abundant.	20 If not by love, then by law.	21 Moment: an infinitely expandable unit of time, used often in situations of love or airline delays.
22 Even with its hassles, life seems to be the best thing they've come up with yet.	23 Occasionally necessity takes its jackhammer to our expectations to make way for what the chief architect really wants.	24 People you have to interrupt so they can see your side, won't.	25 The wealthy feel wise, and the wise feel wealthy.	26 Getting your hair clipped tends to make your secrets fall out of your mouth.	27 To marry for happiness may end up stretching both words a little.	28 If every discarded corporate goal in America could be changed into a muffin, world hunger might be ended.

March 2009

Daily Ponderables by Alan Harris

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday																																																																																				
1 A thought between two bites of a sandwich can change your destiny.	2 The road to hell is littered with the manuscripts of church sermons written late on Saturday.	3 Killed time gets even.	4 The cause of anything is no less than everything.	5 Every new human being is an impossibility become inevitable.	6 In truest love, giving and taking become moot.	7 The meek shall inherit the earth -- as long as this is really okay and like everybody's done with it and everything.																																																																																				
8 At the end of a day, is there one less day in your life or one more day in your life?	9 Brilliance without altruism is a cut flower.	10 Growing old means throwing all abandon to the winds.	11 Intolerance leads to suffering leads to investigation leads to compassion.	12 Free choice is everywhere; freedom from consequences is nowhere.	13 Friendships with others bring us heaven before heaven.	14 Brilliance uses fine words; character, pauses.																																																																																				
15 Anything you can get away with, you can't.	16 Morning Prayer: Now I wake me up from bed; I thank the Lord I'm still not dead. The Lord declined my soul to take, for reasons which remain opaque.	17 The freshest ideas are also the oldest.	18 This is the first minute of the rest of your hour.	19 Good giving brings good gifts, and well-thinking fills the air with well-being.	20 If roses are art, then thorns are critics. The soft choose heart; the hard, analytics.	21 Nothing deepens character like a firmly balanced dilemma.																																																																																				
22 Rumors are disagreeable to many; but then, so is the truth.	23 Silence is golden, like wedding rings only much scarcer.	24 You can't kid hate.	25 Desperation gives Cupid quick wings.	26 Lecture: a verbal dance between voice and attention, sometimes accompanied by meaning.	27 Love isn't fussy, but it works best where there is a universe, attraction, infinity, and time.	28 We are most strengthened, over time, by our weaknesses.																																																																																				
29 An opportunity without opportunists is as rare as a cowflop without flies.	30 Consensus usually belongs to the first one who dares to ahem and summarize.	31 Businessman's Prayer: God grant me the ingenuity to escape the things I cannot change, money to change the things I can, and lawyers to know the difference.	<table border="1"> <thead> <tr> <th colspan="7">Feb 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>2</td> <td>3</td> <td>4</td> <td>5</td> <td>6</td> <td>7</td> </tr> <tr> <td>8</td> <td>9</td> <td>10</td> <td>11</td> <td>12</td> <td>13</td> <td>14</td> </tr> <tr> <td>15</td> <td>16</td> <td>17</td> <td>18</td> <td>19</td> <td>20</td> <td>21</td> </tr> <tr> <td>22</td> <td>23</td> <td>24</td> <td>25</td> <td>26</td> <td>27</td> <td>28</td> </tr> </tbody> </table> <table border="1"> <thead> <tr> <th colspan="7">Apr 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td>5</td> <td>6</td> <td>7</td> <td>8</td> <td>9</td> <td>10</td> <td>11</td> </tr> <tr> <td>12</td> <td>13</td> <td>14</td> <td>15</td> <td>16</td> <td>17</td> <td>18</td> </tr> <tr> <td>19</td> <td>20</td> <td>21</td> <td>22</td> <td>23</td> <td>24</td> <td>25</td> </tr> <tr> <td>26</td> <td>27</td> <td>28</td> <td>29</td> <td>30</td> <td></td> <td></td> </tr> </tbody> </table>				Feb 2009							S	M	T	W	T	F	S	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	Apr 2009							S	M	T	W	T	F	S	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30

Daily Ponderables by Alan Harris

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday																																																																																																									
	1 Anybody who thinks you walk on water, later won't.	2 Love is the key that unlocks the door of the visible to reveal a magnificent invisible.	3 Opinion is wisdom in diapers.	4 A dewdrop on one blade of grass makes oceans moot.	5 When light is shining within, no darkness from without can penetrate it.	6 The ethically blind see themselves everywhere they go.																																																																																																									
7 Many would like to become great, but being alive is a hindrance and being dead is distasteful.	8 Everyone, even vegetarians, can benefit by occasionally eating crow.	9 We spend our first forty years making mistakes, and our next forty years making more mistakes.	10 Friends bend where fakes break.	11 Wherever there's new ointment, can a fly be far away?	12 Moderation in all things, including moderation.	13 Walking barefoot in grass makes your understanding tingle.																																																																																																									
14 Killing is a decidedly one-sided pleasure.	15 Friends have love without vows, faithfulness without reason.	16 The palate can murder the colon.	17 The light never goes out, but sometimes we need to go in and fetch it.	18 How can we be sure that infinity is all there?	19 The larger the city, the shorter the tempers.	20 Adversity can engender achievement, whereas aimless comfort is a living cemetery.																																																																																																									
21 Among the laziest are some of the busiest.	22 Honesty costs only one ego.	23 The impossible is just around the corner.	24 In a selfish society, the word "free" is the most successful pickpocket.	25 All of life is a near-death experience.	26 A teardrop is a liqueur to the future.	27 Those who choose bravely learn deeply.																																																																																																									
28 Earth is unsure footing and wealth is insecure, but how you've loved and given will deathlessly endure.	29 Weak warriors kill bodies; strong warriors win hearts.	30 Freedom, to the aimless, may seem a jail.	<table border="1"> <thead> <tr> <th colspan="7">May 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> <td>1</td> <td>2</td> </tr> <tr> <td>3</td> <td>4</td> <td>5</td> <td>6</td> <td>7</td> <td>8</td> <td>9</td> </tr> <tr> <td>10</td> <td>11</td> <td>12</td> <td>13</td> <td>14</td> <td>15</td> <td>16</td> </tr> <tr> <td>17</td> <td>18</td> <td>19</td> <td>20</td> <td>21</td> <td>22</td> <td>23</td> </tr> <tr> <td>24</td> <td>25</td> <td>26</td> <td>27</td> <td>28</td> <td>29</td> <td>30</td> </tr> <tr> <td>31</td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </tbody> </table> <table border="1"> <thead> <tr> <th colspan="7">Jul 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td>1</td> <td>2</td> <td>3</td> <td>4</td> </tr> <tr> <td>5</td> <td>6</td> <td>7</td> <td>8</td> <td>9</td> <td>10</td> <td>11</td> </tr> <tr> <td>12</td> <td>13</td> <td>14</td> <td>15</td> <td>16</td> <td>17</td> <td>18</td> </tr> <tr> <td>19</td> <td>20</td> <td>21</td> <td>22</td> <td>23</td> <td>24</td> <td>25</td> </tr> <tr> <td>26</td> <td>27</td> <td>28</td> <td>29</td> <td>30</td> <td>31</td> <td></td> </tr> </tbody> </table>				May 2009							S	M	T	W	T	F	S						1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31							Jul 2009							S	M	T	W	T	F	S				1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31

November 2009

Daily Ponderables by Alan Harris

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday																																																																																																		
1 A deed of love pulls a hidden string that makes a bell in heaven ring.	2 The unforgiving are the most likely to do the unforgivable.	3 When one sits to meditate, the mind may at first sound like a jukebox in a cathedral.	4 The small angers the small.	5 Each ballot is a bullet unshot.	6 I, the thinnest word in the dictionary, easily slips into most of our thoughts.	7 After formal education has dazzled and dismayed, root errors bring on root learning.																																																																																																		
8 A sharp tongue cuts itself.	9 Every day is more evidence of forever.	10 There is no freedom from freedom -- it endlessly compels us to do as we choose.	11 A good friendship, like a good river, comes back together after hitting a rock.	12 Ulterior motives may be invisible, but oh, the smell.	13 Charity and software piracy begin at home.	14 Pain kindly wakes up stupidity lest it slumber through eternity.																																																																																																		
15 See with your heart -- it never needs glasses.	16 Thank God if your car breaks down oftener than your body. Some bodies are lemons.	17 Knock, then realize you've always been inside.	18 You may wish on a star, but you get what you are.	19 Plants reach out for the light, while humans reach in.	20 Higher education trains your mind to feel good later by making it feel terrible now.	21 The heart is the best advisor, and also the nearest.																																																																																																		
22 We age in years, but we mature in moments.	23 A dangerous place to stand is in the way of someone else's highest calling.	24 You are not what you do, but what you do anyway.	25 We depend upon each other for our independence.	26 Undone tasks quickly have children and grandchildren.	27 If contentment is enlightenment, then a cow is Buddha.	28 Where love is the root, gratitude is the flower.																																																																																																		
29 Months come disguised as days, and swindle us sweetly of years.	30 With every beat the heart is jumping for joy, though the mind may be doubting and pouting in heedless gloom.	<table border="1"> <thead> <tr> <th colspan="7">Oct 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1</td> <td>2</td> <td>3</td> </tr> <tr> <td>4</td> <td>5</td> <td>6</td> <td>7</td> <td>8</td> <td>9</td> <td>10</td> </tr> <tr> <td>11</td> <td>12</td> <td>13</td> <td>14</td> <td>15</td> <td>16</td> <td>17</td> </tr> <tr> <td>18</td> <td>19</td> <td>20</td> <td>21</td> <td>22</td> <td>23</td> <td>24</td> </tr> <tr> <td>25</td> <td>26</td> <td>27</td> <td>28</td> <td>29</td> <td>30</td> <td>31</td> </tr> </tbody> </table> <table border="1"> <thead> <tr> <th colspan="7">Dec 2009</th> </tr> <tr> <th>S</th> <th>M</th> <th>T</th> <th>W</th> <th>T</th> <th>F</th> <th>S</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1</td> <td>2</td> <td>3</td> <td>4</td> <td>5</td> </tr> <tr> <td>6</td> <td>7</td> <td>8</td> <td>9</td> <td>10</td> <td>11</td> <td>12</td> </tr> <tr> <td>13</td> <td>14</td> <td>15</td> <td>16</td> <td>17</td> <td>18</td> <td>19</td> </tr> <tr> <td>20</td> <td>21</td> <td>22</td> <td>23</td> <td>24</td> <td>25</td> <td>26</td> </tr> <tr> <td>27</td> <td>28</td> <td>29</td> <td>30</td> <td>31</td> <td></td> <td></td> </tr> </tbody> </table>					Oct 2009							S	M	T	W	T	F	S					1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	Dec 2009							S	M	T	W	T	F	S			1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31
